1 Thomas Paine

These are the times that try men's souls. The summer soldier, and the sunshine patriot, will in this crisis shrink from the service of his country. But he that stands it now deserves the love and thanks of man and woman…

2 Math

Here's a simple equation: $\cos^2 \varphi + \sin^2 \varphi = -e^{i\pi}$. And a display equation is below:

$$\int_0^\infty e^{-st} f(t)$$

And here is some verbatim:

```python
import math
x = math.cos(2*math.pi)
l = 1.1 * tan(x)
print "Can you tell the difference between O and 0?"
print "How about 1 and l?"
```

Is 11 different than 17? Do en dash – and em dash — work?
